9. Adjourn

TOTAL BIO + TAB

Total Bio + Tab is our dry formula blend of biology and food source for that biology that enhances soil and plant health in a water-soluble capsule. Adding these tabs to turf and ornamentals helps unlock nutrients in the soil and allows roots to take in nutrients.

RECOMMENDED APPLICATION RATES

Established Shrubs and Trees

1 Tab need to be applied under drip line of plant. Push tabs at least 2 inches into the soil.

Established Shrubs

1 tab for every one foot in diameter of drip line.

Established Trees

1 Tab for every foot of circumference measured 4 feet from ground.

Transplanting Shrubs and Trees

Place tabs in hole 3 to 6 inches below surface level while backfilling around root ball.

Transplanting Shrubs

Use one tab for every one gallon of container size.

Transplanting Trees

Use two tabs for every inch of tree caliber.

Use in accordance with recommendations of a qualified individual or institution, or according to an approved nutrient management plan and/or soil and/or tissue test. Always test for compatibility prior to application. May cause plant damage if applied above the recommended rates. Use only according to directions.

This product contains live microorganisms and may cause adverse effects to persons with a compromised immune system. Avoid contact with eyes, mouth, and broken skin. Do not inhale product. Wear eye and skin protection when handling. Wash hands after using.

Conditions of Sale, Limitation of Warranty Liability: Limitation of Liability: Conditions of Sale, Limitation of Warranty Liability: Limitation of Liability: In no event shall the seller or the manufacturer be liable for special, incidental or consequential damages, or for damages in the nature of penalties. Seller or manufacturer shall not be liable to buyer, by way of indemnification to customer or buyer, if any, for any damages, sums of money, claims or demands whatsoever, resulting from or by reason of, or arising out of the misuse or failure to follow the label warning or instructions for use of goods sold by the seller or manufacturer to buyer. Buyer's or user's exclusive remedy and seller's or manufacturer's total liability shall be for damages not exceeding the cost of the product.

Warranty Disclaimer: Ineffectiveness or other unintended consequence may result because of such factors as presence of other materials or the manner of use or application, all of which are beyond the control of the seller or manufacturer. In no case shall seller or manufacturer be liable for consequence, special or indirect damages resulting from the use or handling of this product. The buyer or his/her customers shall assume all such risks. Tests have not been carried out under all possible conditions and seller or manufacturer cannot and does not warrant the product is compatible with all other chemicals. Seller and manufacturer warrants the product adequately contains, is packaged and labeled, and conforms to the affirmation of fact made on the container and label. Seller or manufacturer makes no other warranties, guarantees, or representations of any kind, either expressed or implied, by usage of trade, statutory or otherwise, with regard to the product sold, including but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Terra Ally, LLC and seller offers this product and should buyers and users accept it, subject to the foregoing conditions of sale and limitations of warranty and of liability, which may not be modified except by written agreement signed by a duly authorized representative of Terra Ally LLC.
